

# Angela

Missy Higgins

Clear the way she's coming through  
With her eye-shadow of satin blue  
And her fingernails all painted blue  
She's a danger you're addicted to

Angela, Angela you're a danger he's addicted to

So move aside she has arrived  
With her baby neck and sleepy eyes  
She has heels that walk all over you  
She's a danger you're addicted to

Angela, Angela you're a danger he's addicted to  
Oh Angela, Angela you're a danger he's addicted to

And I try to be more like you  
Speak louder and prouder and hide my love but it spills out

Angela, Angela you're a danger he's addicted to  
Oh Angela, Angela you're a danger he's addicted to  
So I'll try to be more, more like you
