

## Temporary Love

Missy Higgins

You're doing something  
Something to my heart  
Some kind of motion  
that's pulling it apart  
Cos I live on the other side  
of the sea

This is temporary, temporary love  
Only temporary, temporary love

But something's moving  
in places I'd forgotten  
The knives you're throwing  
keep hitting the right spot  
I keep on trying to tell my, trying to tell myself

This is temporary, temporary love  
Only temporary, temporary love  
This is temporary  
Gotta keep reminding myself that  
This is temporary love (let the love in, let the love in)

Yeah this is one sweet moment  
but it ain't going to last

You're doing something  
underneath my skin  
I never meant to  
let you so far in  
I keep on trying to tell myself

This is temporary, temporary love  
Only temporary, temporary love  
This is temporary, temporary love  
Only temporary, temporary love

Gotta keep reminding myself that  
this is one sweet moment  
but it ain't going to last...
