

## Bite Our Style (Interlude)

Missy 'Misdemeanor' Elliott

Me and Timbaland, we make you wanna bite our style  
Me and Timbaland, we make you wanna bite our style  
Me and Timbaland, we make you wanna bite our style  
Me and Timbaland, we make you wanna bite our style

Me and Timbaland, our style's so superb  
Have you heard? Have you heard?  
Me and Timbaland, our style's so superb  
Have you heard? Have you heard?  
Me and Timbaland, our style's so superb  
Have you heard the word?  
Me and Timbaland, our style's so superb
