

Throw Your Hands Up (Interlude)

Missy 'Misdemeanor' Elliott

Yo this the Queen Bee
And I came to say a little somethin'
On my girl Missy shit
You see I got somethin' to say
That's right I got a problem
I got a problem wit all ya'll muthafuckers out there
That got a problem wit us calling ourselves a bitch

Yeah that's right I said it muthafucker bitch what
You see bitch is a strong word
And only strong bitches can use that muthafucken' terminology
Bitch
I mean if you can't wear the name
Don't try to use it, shucks

Throw your hands up if you like to get high
Make a phat beat so we can party all night
If you got beef you gotta take it outside
Throw your wrists up and lemme see your ice shine

Throw your hands up if you like to get high
To make a phat beat so we can party all night
If you got beef you gotta take it outside
Throw your wrists up and lemme see your ice shine
