

## Work It

### Missy 'Misdemeanor' Elliott

DJ, please pick up your phone  
I'm on the request line

This is a Missy Elliott one-time exclusive  
Come on

Is it worth it, let me work it  
I put my thing down, flip it and reverse it  
I put my thing down, flip it and reverse it [backwards 2x]  
If you got a big \*\*\*, let me search you  
And find out how hard I gotta work you  
I put my thing down, flip it and reverse it [backwards 2x]

I'd like to get to know you so I could show you  
Put the pussy on you like I told you  
Gimme all your numbers so I could phone you  
Your girl actin' stank then call me over

Not on the bed, lay me on your sofa  
Phone before you come, I need to shave my chocha  
You do or you don't or you will or won't you  
Go downtown and eat it like a vulture

See my hips and my tips, don't you?  
See my ass and my lips, don't you?  
Lost a few pounds and my waist for you  
This the kinda beat that go ra-ta-ta  
Ra-ta-ta-ta-ta-ta-ta-ta-ta-ta  
Sex me so good I say blah-blah-blah  
Work it, I need a glass of water  
Boy, oh, boy, it's good to know you

Is it worth it, let me work it  
I put my thing down, flip it and reverse it  
I put my thing down, flip it and reverse it [backwards 2x]  
If you got a big \*\*\*, let me search you  
And find out how hard I gotta work you  
I put my thing down, flip it and reverse it [backwards 2x]

Come on

If you a fly gal get your nails done  
Get a pedicure, get your hair did  
Boy, lift it up, let's make a toast-a  
Let's get drunk, that's gonna bring us closer  
Don't I look like a Halle Berry poster?  
See the Belvedere playin' tricks on you

Girlfriend wanna be like me, never  
You won't find a bitch that's even better  
I make you hot as Las Vegas weather  
Listen up close while I take it backwards  
Watch the way Missy like to take it backwards [backwards]

I'm not a prostitute, but I could give you what you want  
I love your braids and your mouth full of floss  
Love the way my ass go bum-bum-bum-bum

Keep your eyes on my bum-bum-bum-bum-bum  
And think you can handle this gadong-a-dong-dong  
Take my thong off and my ass go vroom  
Cut the lights on so you see what I could do

Is it worth it, let me work it  
I put my thing down, flip it and reverse it  
I put my thing down, flip it and reverse it [backwards 2x]  
If you got a big \*\*\*, let me search you  
And find out how hard I gotta work you  
I put my thing down, flip it and reverse it [backwards 2x]

Come on

Boys, boys, all type of boys  
Black, white, Puerto Rican, Chinese boys  
Why-thai-thai-o-toy-o-thai-thai  
Rock-thai-thai-o-toy-o-thai-thai

Girls, girls, get that cash  
If it's 9 to 5 or shakin' your ass  
Ain't no shame, ladies, do your thing  
Just make sure you ahead of the game

Just 'cause I got a lot of fame super  
Prince couldn't get me change my name papa  
Kunta Kinte a slave again, no sir  
Picture black sayin', "Oh, yes a master."

Picture Lil' Kim dating a pastor  
Minnie Me and Big Ren can out last ya  
Who was the best, I don't have to ask ya  
When I come out you won't even matter

Got a Lamborghini so I drive faster  
Just makin' hating people freakin' matter  
Admit I'm the f\*\*\*\*\* name won the battle  
When I drop this record here you won't even matter

Why you act dumb like "Uh, duh"  
So you act dumb like "Uh, duh"  
As the drummer boy go ba-rom-pop-pom-pom  
Give you some-some-some of this Cinnabun

Is it worth it, let me work it  
I put my thing down, flip it and reverse it  
I put my thing down, flip it and reverse it [backwards 2x]  
If you got a big \*\*\*, let me search you  
And find out how hard I gotta work you  
I put my thing down, flip it and reverse it [backwards 2x]

Come on

To my fellas  
I like the way you work that  
To my ladies  
You sure know how to work that
