

Trigger Pull

MisterWives

What you waiting for
What are you waiting for?

I got my hands stuck
My mouth shut
Just fall in line
It's slowly killing me
Keeping this lie alive
How many more years am I gonna hide
Behind the people on my side?

Hanging on a ticket
Like I'm ever gonna win it
I've been sleeping on a dream
Am I ever gonna live it
And I'll never beat you there
If you're pushing back the finish
And the tables won't turn
If I'm never gonna spin it

Never gonna spin it

Trigger pull
They got you in here like an animal
The clock is ticking
Whatchu waiting for?
What are you waiting for?
(Whatchu waiting for, watchu waiting for?)
Trigger pull
Go on and tell me that I'm difficult
The clock is ticking
Whatchu waiting for?
What are you waiting for?
(Whatchu waiting for, watchu waiting for?)

I talk in circles
Hold my breath
'Til I turn blue
Blaming myself day in and day out
It's deja vu
My sister's so sick of hearing the same old loop
Said, "I'm crazy for staying with you"

Hanging on a ticket
Like I'm ever gonna win it
I've been sleeping on a dream
Am I ever gonna live it
And I'll never beat you there
If you're pushing back the finish
And the tables won't turn
If I'm never gonna spin it

And you know you gotta

Trigger pull
They got you in here like an animal
The clock is ticking

Whatchu waiting for?
What are you waiting for?
(Whatchu waiting for, watchu waiting for?)
Trigger pull
Go on and tell me that I'm difficult
The clock is ticking
Whatchu waiting for?
What are you waiting for?
(Whatchu waiting for, watchu waiting for?)

I'm, I'm not gonna die
Waiting for the right place, the right time
Life's gonna pass you by
Waiting for the right place and right time

Trigger pull
They got you in here like an animal
The clock is ticking
Whatchu waiting for?
What are you waiting for?
(Whatchu waiting for, watchu waiting for?)
Trigger pull
Go on and tell me that I'm difficult
The clock is ticking
Whatchu waiting for?
What are you waiting for?
(Whatchu waiting for, watchu waiting for?)

Trigger pull
Difficult
The clock is ticking
What-
Whatchu waiting for, watchu waiting for?
