

Like A Rushing River

Misty Edwards

Like a rushing river am I
Like a raging torrent inside
I find that I'm full of knowing nothing
I find that I hunger for the fullness of Christ

Like a rushing river am I
Like a raging torrent inside
I find that I'm free-falling again
I'm letting go of the mountain view
Letting go, but what into?

Like a rushing river am I
Like a raging torrent inside
I find that I'm full of knowing nothing
I find that I'm hungry for the fullness of Christ

Like a rushing river am I
Like a raging torrent inside
I find that I'm free-falling again
I'm letting go of the mountain view
Letting go, but what into?

I've been crucified with Christ
I've been crucified with Christ
I've been crucified with Christ
Yet not I, but one thing I know

You make all things beautiful
You make all things beautiful
You make all things beautiful
Just in time
Just in time

You make all things beautiful
You make all things beautiful
You make all things beautiful
Just in time
It's just a matter of time, time
It's just a matter of time

So into Your hands
Into Your hands I fall
Into Your hands
Into Your hands I fall
Into Your hands
So into Your hands I fall

For You make all things beautiful
You make all things beautiful
You make all things beautiful
Just in time
It's just a matter of time, time, time
It's just a matter of time, time, time

On You I wait
On You I wait
On You I wait

All of my days

And on You I wait
On You I wait always
On You I wait
All of my days
All of my days

No one who waits on You will ever be ashamed
No one who waits will ever be disappointed
It's just a matter of time
It's just a matter of time

So calm down, my soul
Calm down and know
So calm down, my soul
Calm down and know

His yoke is easy
His burden is light
It simply costs everything
But it's not too mysterious
It's not for the wise in their own eyes
It's not for the mighty of the rich
But He has saved Himself for me
But He has saved Himself for me

So calm down, my soul
Just calm down and know
Just calm down, my soul
Just calm down and know

No one who waits on the Lord will ever be ashamed
For wisdom will be justified
In just a matter of time, time, time
It's just a matter of time, time, time

And You make all things beautiful
You make all things beautiful
You make all things beautiful
Just in time
It's just a matter of time
It's just a matter of time

Calm down, my soul
Be quiet within me
And put your trust in God
From where your help comes from
From where your help comes from
Just calm down, my soul, and wait
It's just a matter of time
It's just a matter of time
