

Made To Love You

Misty Edwards

You have been so kind
So gentle, time after time
Of all of the years that I've come
You're still the one to whom I run
When everything changes
You remain the same
When all around, the world is shaken
You remain

So Holy Spirit come
How I long for Your touch
I was made for the more
Than the things that so easily change

I was made to love You and be loved by You
