

## Vow

Misty Edwards

I've paid my vows right here right now  
No matter what comes my way (2x)  
I do love You, I do love You, I do love You  
You know that I love You, Jesus (2x)  
For every season there's a reason  
And a purpose under heaven  
This I know, this I know  
A time to laugh and a time to cry  
A time to live and a time to die  
A time to speak a time for silence  
A time to gain and a time to loose  
A time to mourn and a time to dance  
A time for peace and a time for war  
Through every season of the soul  
Through every season of Your love  
Through every season in this life  
I want You to know  
I do love You, I do love You, I do love You  
You know that I love You, Jesus
