Apologise

Mitch James

I think about you all the time
Was it me? was it my fault?
But if I'm being honest I
I don't really wanna find out

If I could go back to the start I'd be
Holding you in my arms so close
If I could look into your eyes
Then I'd see hers or maybe mine
But no

All I can do is apologise
That I won't be singing you lullabies
I'm sorry that this was the best that I could do
And all I can do is apologise to you
But some things you can't undo
Some things you can't undo

If I could do it all again
I promise I won't ever let you down
We thought about it logically
But that don't make no sense to me right now

If I could go back to the start
I would hold you in my arms so tight
If I could look you into your eyes
Well I'd see hers or maybe I'd see mine

But all I can do is apologize
That I won't be singing you lullabies
I'm sorry that this was the best that I could do
And all I can do is apologise to you
But some things you can't undo
Some things you can't undo

All I can do is apologise
All I can do is apologise
All I can do is apologise to you

But all I can do is apologise
That I won't be singing you lullabies
I'm sorry that this was the best that I could do
But some things you can't undo
Some things you can't undo
Some things you can't undo
Some things you can't undo
