

Be Somebody

Mitch James

Something's changed
You and I
I'm used to distance between our bodies
Not mine
I know I left
Guess you were right
But now this phone calls all that we're connected by
I don't know why
And I can't keep you on the line

Cause you don't want to be somebody
Who doesn't know when to walk away
But I don't want to be somebody
Obsessing over things that I didn't say
So baby, believe me
Believe me when I say
I don't want to be somebody
Who didn't change
When I should have changed

It don't make sense
I don't know why
If you can't give me a reason
Please just tell me lies
Nothing to say
I guess that's fine
I should have never bought a ticket on that flight
Now I can't get you off my mind

Cause you don't want to be somebody
Who doesn't know when to walk away
But I don't want to be somebody
Obsessing over things that I didn't say
So baby, believe me
Believe me when I say
I don't want to be somebody
Who didn't change
When I should have changed
Cause I should have changed
Then you walked away
Baby walk away
When I should have changed

I go left
You stay right
I think I know why
Cause you don't want to be somebody
Who doesn't know when to walk away
But I don't want to be somebody
Obsessing over things that I didn't say
So baby, believe me
Believe me when I say
I don't want to be somebody
Who didn't change
When I should have changed
Cause I should have changed
When I should have changed
