

FACEDRUNK

Mitchel Musso

Facedrunk

I don't need to wait downtown
I've been hard to get away from
I just need a way from this town
Smoking cigarettes inside my shell
All the time I'm spending by myself
When you wake up and I had to leave
All the drugs I put inside of me

Aye oh!

They go!

I'm a product of my pain so

Lay low!

Caught up in the same shit

All the same holes

And Imma bend out

Imma bend

I don't wanna wait this out

I don't need to get it out this time

I don't wanna wait this out

I needed away from you girl, yeah, I'm

Facedrunk

I don't need to wait downtown

I've been hard to get away from

I just need a way from this town

On a come up it ain't coming down

Commas always bring her 'round

Momma said it isn't you

'Cause the fucked up stuff you put me through!

Aye oh!

They go!

I'm a product of my pain so

Lay low!

Caught up in the same shit

All the same holes

And Imma bend out

Imma bend

I don't wanna wait this out

I don't need to get it out this time

I don't wanna wait this out

I needed away from you girl, yeah, I'm

Facedrunk

I don't need to wait downtown

I've been hard to get away from

I just need a way from this town

I've been calling and you've been offering

I don't need the same thing

You get confident

I get off of it

I don't feel the same way

Facedrunk

I don't need to wait downtown

I've been hard to get away from
I just need a way from this town
