

# Breaking My Heart

Mitchell Tenpenny

I think you need a vacation  
A little time for yourself  
'Cause you've been out everywhere and you're making  
My world a living hell

It's been like eight weeks  
You're still driving me crazy  
If you don't love me, then hate me  
I was just thinking maybe

Aw, baby, don't you kinda wanna stay in tonight?  
Or at least go walking into some other bar  
Don't you need a break from breaking my heart?  
I said, baby, won't you let me get on with my life?  
'Cause everywhere I go, it's like there you are  
Don't you need a break from breaking my heart?  
From breaking my heart, mm-hmm

If I ask you how you've been doing  
Don't smile and tell me, "Just fine"  
Just say it took you a while to get over me  
No, I don't care if you lie

'Cause it's been like eight weeks  
You're still driving me crazy  
If you don't love me, then hate me  
I was just thinking maybe

Aw, baby, don't you kinda wanna stay in tonight?  
Or at least go walking into some other bar  
Don't you need a break from breaking my heart  
I said, baby, won't you let me get on with my life  
'Cause everywhere I go, it's like there you are  
Don't you need a break from breaking my heart  
From breaking my heart  
Oh, yeah

Already walked out the door  
Girl, what you doing this for?  
I think you hurt me enough  
Aren't you getting tired of messing me up?

Aw, baby, don't you kinda wanna stay in tonight?  
Or at least go walking into some other bar  
Don't you need a break from breaking my heart?  
I said, baby, won't you let me get on with my life?  
Everywhere I go, it's like there you are  
Don't you need a break from breaking my heart?  
Breaking my heart  
Break from breaking, break from breaking, break from breaking my heart

Don't you need a break from breaking, break from breaking, break from breaki  
ng my heart?
