

# Broken Up

Mitchell Tenpenny

Usually I'm put together  
Most the time I'm fine  
Normally I break up better  
But, baby, not this time

Yeah, I don't know what to do about it  
I'm laying in bed about it (I'm laying in bed about it)  
Yeah, I'm tryna keep my cool about it  
Get up out my head about it (Get up out my head about it)

But baby, I'm still broken up about it  
Yeah, I've had it up to here, had enough about it  
Maybe I will open up about it  
Yeah, but only if I drink until I'm drunk about it  
Lord knows, I wish that I could say that I'll be fine  
But, baby, I'm still broken up about it (Baby, I'm still broken up about it)

Yeah, I guess that karma knows my name  
'Cause she called me up the other night  
Momma always knew just what to say  
But now she ain't on my side

'Cause I'm the one to blame about it  
I'm the one that messed it up (I'm the one that messed it up)  
Yeah, I deserve the pain about it  
Wish that I could give you up  
But I'm still in love

Yeah, baby, I'm still broken up about it  
Yeah, I've had it up to here, had enough about it  
Maybe I will open up about it  
Yeah, but only if I drink until I'm drunk about it  
Lord knows I wish that I could say that I'll be fine  
But, baby, I'm still broken up about it (Baby, I'm still broken up about it)

Yeah, time will change but I'll still feel the same  
Might take a week, a month, a year  
But I'll still feel, I'll still feel the same  
Aww yeah

Yeah, baby, I'm still broken up about it  
(Still broken up about it)  
Baby, I'm still broken up about it  
(Baby, I'm still broken up about it)

Yeah, baby, I'm still broken up about it  
Yeah, I've had it up to here, had enough about it  
Maybe I will open up about it  
Yeah, but only if I drink until I'm drunk about it  
Lord knows, I wish that I could say that I'll be fine  
But, baby, I'm still broken up about it  
Baby, I'm still broken up about it

I'm still, I'm still broken  
I'm still, I'm still broken  
I'm still, I'm still broken  
I'm still, I'm still broken

Don't know what to do about it  
Still broken up about it  
Yeah, I'm tryna keep my cool about it  
Baby, I'm still broken up about it
