

Bucket List

Mitchell Tenpenny

Yeah, I hate that the only way
I can say what I need to say
Is with a prayer I hope is getting through the clouds
Now, you're forever young
And I'm living like I'm dying
All I'm doing is just trying to make you proud
Yeah, life is like a first kiss
You don't know how long it's gonna last
All you get is what you get
And it gets real, really fast

I'mma love a little more
Dream a little deeper
Leave all the leavers
Keep all the keepers
Find peace of mind
In the time the good Lord gives
I'mma cross one off
Put two more on it
Say "I love you" 'fore the moment's gone
And never have to ask myself, "What if?"
When I get to the bottom of my bucket list

Mine used to look real petty
Was the picture in the dictionary
Of the guy that wasn't ready to grow up
And all it took was a last goodbye
A broken heart on borrowed time
And letting go of things that are hard to let go of

Now I love a little more
Dream a little deeper
Leave all the leavers
Keep all the keepers
Find peace of mind
In the time the good Lord gives
I'mma cross one off
Put two more on it
Say "I love you" 'fore the moment's gone
And never have to ask myself, "What if?"
When I get to the bottom of my bucket list, yeah

Yeah, life is like a first kiss
You don't know how long it's gonna last
All you get is what you get
And it gets real really fast

I'mma love a little more
Dream a little deeper
Leave all the leavers
Keep all the keepers
Find peace of mind
In the time the good Lord gives
(Find a peace of mind)
I'mma cross one off
Put two more on it
Say "I love you" 'fore the moment's gone

And never have to ask myself, "What if?"
When I get to the bottom of my bucket list, yeah
The bottom of my bucket list
