Do You

Mitchell Tenpenny

Do you do it on purpose or do the stars just align?
Right at the perfect wrong time
Why you trying to make me nervous?
To go out to a bar
Even when you're not there
It feels like you are

I've done all the right things
I've tried not to care
But memories, they never play fair

Do you wanna wreck my world?
Do you care if I sleep?
I got all of this space
But got no room to breathe
Are you trying to break my heart?
'Cause you're breaking the rules
We said I would do me and you would do you
But you really don't want me to get over you
Do you?
Oh, do you?

Did you call into the station and tell them play The Lumineers "Hey"?
Is every Jetta in this town your same color, same year?
Is every bar filled with girls that are wannabe yous
With blackblue jeans and tattoos?

Oh, do you wanna wreck my world?
Do you care if I sleep?
I got all of this space
But got no room to breathe
Are you trying to break my heart?
'Cause you're breaking the rules
We said I would do me and you would do you
But you really don't want me to get over you
Do you?
Oh, do you?

I've done all the right things
I've tried not to care
But memories, they never play fair

Do you wanna wreck my world?
Do you care if I sleep?
I got all of this space
But got no room to breathe
Are you trying to break my heart?
'Cause you're breaking the rules
We said I would do me and you would do you
But you really don't want me to get over you
Do you?
Oh, do you?
Aw girl, do you?
Aw girl, do you?
Aw girl, do you?
