

# Drunk Me

Mitchell Tenpenny

Some people don't know when to quit and that's why they quit  
Some need to hit the bottom to see they got a problem, they can  
't handle it

But that ain't why I started cleaning up my life  
Wish it was but, ooh, that would be a lie

I've been sober 'cause there ain't no hangover like you girl, n  
o, no, no

Baby can you come over, I always find those words at the bottom  
of a hundred proof, yeah

Girl, every time you do

I just end up, head all messed up like the sheets where we made  
love

I've been sober since you broke my heart in two

'Cause drunk me can't get over you (there ain't no hangover lik  
e you)

Can't get over, can't get over (there ain't no hangover like yo  
u)

Oh, no, no, no

All those bottles sitting up on the shelf are just salt on the  
wound

One sip and I'm picking up the phone trying not to go home with  
out you

And that ain't nothing but a whole lotta pain

And that kind of hurt, ooh hurts, it ain't worth another drink

I've been sober 'cause there ain't no hangover like you girl, n  
o, no, no

Baby, can you come over, I always find those words at the botto  
m of a hundred proof, yeah-yeah

Girl, every time you do

I just end up, head all messed up like the sheets where we made  
love

I've been sober since you broke my heart in two

'Cause drunk me can't get over you... no

Can't get over you, oh, no, no, no

I've been sober 'cause there ain't no hangover like you, no, no  
, no

Can you come over

I always find those words at the bottom of a hundred proof, yea  
h-yeah

Girl, every time you do

I just end up, head all messed up like the sheets where we made  
love

I've been sober since you broke my heart in two

'Cause drunk me, yeah drunk me, yeah drunk me

Can't get over you (there ain't no hangover like you)  
Can't get over, can't get over (there ain't no hangover like yo  
u), oh, no, no, no
