Obsession

Mitchell Tenpenny

I get fixated, some might say that I go too far
Like candy blue on my tattoos, up and down my arms
I buy too many watches, Jordans fill up my closet
I got a thing about tequila when I drink at the bar

Ooh, if I'm in, I'm all in
Ooh, hundred and ten percent

One little kiss and I can't get enough of you when
You bite your lip, you know the way you make me lose it
Second I saw you, you stole all my attention
It's no surprise to me that you would be my new obsession

Your daily habits, yoga mats in the living room
You're kinda messy, but it messes me up so good
My fault if I'm caught watching, everything that moves when you 're walking
Can't sober up 'cause I'm drunk off of your perfume

One little kiss and I can't get enough of you when
You bite your lip, you know the way you make me lose it
Second I saw you, you stole all my attention
It's no surprise to me that you would be my new obsession
Oh, my new obsession

Ooh, if I'm in, I'm all in
Ooh, hundred and ten percent

One little kiss and I can't get enough of you when
You bite your lip, you know the way you make me lose it
Second I saw you, you stole all my attention
It's no surprise to me that you would be my new obsession
Oh, my new obsession, oh, yeah (My new obsession)
Oh
