

Forests

MitiS

One look
One touch
Our worlds collide
In your arms, I lose myself
My heart's on fire for you tonight
The best I've ever felt

Hold on tightly to me and I will let you fall
(Fall)
Since you kept holding on

On
On

One look
One touch
Our worlds collide
In your arms, I lose myself
My heart's on fire for you tonight
The best I've ever felt

Hold on tightly to me and I will let you fall
(Fall)
Since you kept holding on

On
