

Open Window

MitiS

I'm parading in your eyes
An open window never lies
If you take me for granted
You'll leave empty handed

I'll forget you
I'll forget you
I'll forget you

I'm parading in your eyes
An open window never lies
If you take me for granted
You'll leave empty handed

I'll forget you
I'll forget you
I'll forget you
