

Shattered

MitiS

Brick by brick, I feel something shift
Inside of me, inside of me
Said I quit, I'll give up on this
With every piece, you're getting into me, oh-oh-oh

Didn't see it coming, I was caught off guard
And now I'm running right into your arms
Used to feeling nothing, then I fell so hard
I tried to hide in my heart of glass, but
You went and you shattered that

You shattered that
Oh yeah, you shattered that
You shattered that
Ooh, you shattered that

Don't you see what was underneath?
I tried to hide it, but then we collided
And now here's me, bearing everything
And I hope you like it, I hope you like it

Didn't see it coming, I was caught off guard
And now I'm running right into your arms
Used to feeling nothing, then I fell so hard
I tried to hide in my heart of glass, but
You went and you shattered that

Oh, yeah you shattered that
Oh, you shattered that
Oh, you shattered that, oh
Oh, you shattered that
Oh, you shattered that
Tried to hide in my heart of glass, but
You went and you shattered that

And you shattered that, oh
Yeah, you shattered that
You shattered that

Ooh-ooh-ooh-ooh, you shattered that
Ooh-ooh-ooh-ooh, yeah you shattered that
Tried to hide in my heart of glass, but
You went and you shattered that

Didn't see it coming, I was caught off guard
And now I'm running right into your arms
Got used to feeling nothing, then I fell so hard
I tried to hide in my heart of glass, but
You went and you shattered that
