

Wait

MitiS

Sometimes on the phone
We speak of all the things you know
But just your voice is not enough
When I feel alone
I know you're not too far from home
But I just need to feel your touch

So take me over
Make me feel tonight
I'm waiting for you now
So just kiss me slowly
Try to take our time
If only you were here

Cause' I lose my mind
Just counting the time
I need you to come back
Cause' I lose my mind
Just counting the time
I need you to come back
I can't wait

I can't wait

So take me over
Make me feel tonight
I'm waiting for you now
So just kiss me slowly
Try to take our time
If only you were here

Cause' I lose my mind
Just counting the time
I need you to come back
Cause' I lose my mind
Just counting the time
I need you to come back
I can't wait

I can't wait
