

Heaven

Mitski

All of our love
Fillin' all of our room
Your low warm voice
Curses as you find the string
To strike within me
That rings out a note
Heard in heaven

Heaven
Heaven

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh

Now I bend like a willow
Thinkin' of you
Like a murmurin' brook
Curvin' about you
As I sip on the rest of the coffee you left
A kiss left of you

Heaven
Heaven
Heaven

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh

Hear the storm
Dances outside
Something set free
Is runnin' through the night
And the dark awaits us
All around the corner
But here in our place
We have for the day
Can we stay awhile and listen for

Heaven
Heaven

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
