

Me And My Husband

Mitski

I steal a few breaths from the world for a minute
And then I'll be nothing forever
And all of my memories
And all of the things I have seen will be gone
With my eyes, with my body, with me

But me and my husband
We are doing better
It's always been just him and me
Together
So I bet all I have on that
Furrowed brow
And at least in this lifetime
We're sticking together
Me and my husband
We're sticking together

And I'm the idiot with the painted face
In the corner, taking up space
But when he walks in, I am loved, I am loved

Me and my husband
We are doing better
It's always been just him and me
Together
So I bet all I have on that
Furrowed brow
And at least in this lifetime
We're sticking together
Me and my husband
We're sticking together
Me and my husband
We are doing better
