

## Old Friend

Mitski

We nearly drowned  
For such a silly thing  
Someone who loves me now  
Better than you  
And that pretty friend is  
Finally yours, and  
I'll be around on Sunday, if

You'll meet me at Blue Diner  
I'll take coffee and talk about nothing, baby  
At Blue Diner, I'll take anything you wanna give me, baby

I haven't told anyone  
Just like we promised  
Have you?  
Every time I drive through the city where you're from  
I squeeze a little

Meet me at Blue Diner  
I'll take coffee and talk about nothing, baby  
At Blue Diner, I'll take anything you wanna give me, baby  
At Blue Diner, I'll take coffee and talk about nothing, baby  
Blue Diner, I'll take anything you wanna give me, baby
