

# Remember My Name

Mitski

I gave too much of my heart tonight  
Can you come to where I'm staying and make some extra love?  
That I can save 'til tomorrow's show

'Cause I need somebody to remember my name  
After all that I can do for them is done  
I need someone to remember me

I need something bigger than the sky  
Hold it in my arms and know it's mine  
Just how many stars will I need to hang around me  
To finally call it heaven?

I need somebody to remember my name  
After all that I can do for them is done  
I need someone to remember me

I need something bigger than the sky  
Hold it in my arms and know it's mine  
Just how many stars will I need to hang around me  
To finally get somewhere I can be all done  
Somewhere like heaven
