

# Thursday Girl

Mitski

Glory, glory, glory to the night that shows me what I am  
As I go to the party on my knees  
Saying, "Take it all, please..."

And tell me no  
Tell me no, tell me no  
Tell me no  
Somebody, please  
Tell me no, tell me no  
Tell me no  
Tell me no

Glory, glory, glory to the night  
It shows me what I am (Glory)  
I'm not happy or sad, just up or down  
And always bad

Tell me no  
Tell me no, tell me no  
Tell me no  
Somebody, please  
Tell me no, tell me no  
Tell me no  
Tell me no  
Somebody here  
Tell me no, tell me no  
Tell me no  
Tell me no
