

# Washing Machine Heart

Mitski

Toss your dirty shoes in my washing-machine heart  
Baby, bang it up inside  
I'm not wearing my usual lipstick  
I thought maybe we would kiss tonight  
Baby, will you kiss me already, and  
Toss your dirty shoes in my washing-machine heart  
Baby, bang it up inside

Baby, though I've closed my eyes  
I know who you pretend I am  
I know who you pretend I am

But do mi ti  
Why not me?  
Why not me?  
Do mi ti  
Why not me?  
Why not me?  
Do mi ti  
Why not me?  
Why not me?
