

2007

Miya Folick

I haven't felt safe since 2007
I haven't felt safe since 2001

Pacing around my apartment
Keep my heart open
Call my friend in a cold sweat
Am I dying?

I don't wanna be afraid of strangers or being lonely
I don't wanna play it safe, I'll be brave, I'll sing karaoke

I wanna smile real big
I wanna fucking live
I wanna smile real big
I wanna fucking live

I haven't felt safe since 2007
I haven't felt safe since 2001

I'm a little girl with a woman's past
I've never gotten used to having tits and ass
I've never gotten used to living alone
I swear to god it's gotta be unnatural

I don't wanna be afraid of aging or gaining weight
I want to take up space
I wanna get up real early and stay up late

I wanna smile real big
I wanna fucking live
I wanna smile real big
I wanna fucking live

I wanna smile real big
I wanna fucking live
I wanna smile real big
I wanna fucking live
