

We need so damn many things  
To keep our dazed lives going  
Many things, to keep our lives  
Lives going, many things

We need so damn many things  
To keep our stupid lives going  
Many things to keep our lives  
Lives going, many things

We can be bound, run around  
Fooled animal bite its tail  
Animal, it has been bound  
Run around, around and 'round

We need so damn many things  
To keep our dazed lives going  
Many things, to keep our lives  
Lives going, many things  
Many things, to keep our lives  
Lives going, many things...

This weird painting of a faceless person that I made  
And it's companion  
I've got
