

Let's Pretend

Miya Folick

Let's pretend that I'm human
Put on a shirt and tie my hair
Let's pretend that I'm certain
Exactly what I'm supposed to be doing here

Say my name on a pay
Sign my name on a page
How do I know I'm anyone
How do I know I'm anywhere
How do I know I'm anything
Other than dust and earth

Put your hand on my forehead
Am I colder than ice
Do I appear metallic
Have I been sterilized

Sign my name on a page

How do I know I'm anyone
How do I know I'm anywhere
How do I know I'm anything
Other than dust and earth
