Put it in the shopping cart
Put however much you want
Everything you want
All the things you want
Put it in the shopping cart

Put it in the shopping cart
Put however much you want
My dreams that are in this cart
Can't be bought with cash
Wanna spend every morning
Looking out to the Han River?
Then you can make some coffee
My dreams will become reality

Driving with the top down
No mask, I'll walk through Hongdae with you
Let's go shopping, off-white Nikes
Let me ask Choiza for some good food places

What you wanna do, what you wanna buy, what you wanna eat
Where you wanna go, what you wanna be
Write it all down for me
I'll take you anywhere, hold on tight my baby

Baby baby baby
My lady lady lady lady
My baby baby baby baby
My lady I'll take you anywhere
Hold on tight my baby

Put it in the shopping cart
Put however much you want

Place everything in the cart
On the register
Let's make all the boring days of the past into a fool
Just us two
No need to be cautious
Don't look around just look at Han River
Let's have some chicken and beer at the Yeontral Park
Till the evening becomes night, let's eat and drink

In your small wishes, I'll hang a Chanel bag off it
I'll even buy the jealousy of
Your friends who think less of me
Too bad there's only 24 hours in a day with you
Just wear anything
I'll make our moods into a new item

Driving with the top down

Mask off, let's walk through Kundae
Let's go shopping, Shinsa, Hongdae or Apgujung Gallery
Let me ask Choiza for some good food places

What you wanna do, what you wanna buy, what you wanna eat
Where you wanna go, what you wanna be
Write it all down for me
I'll take you anywhere, hold on tight my baby

My baby baby baby baby
My lady I'll take you anywhere
Hold on tight my baby
