

## Reno

MIYEON

I hear the train a-comin'  
The sound rolls 'round and 'round the bend  
And I hate how that sunshine stings  
It never ends  
'Cause I'm stuck in prison, deep pain keeps draggin' on  
But that train keeps rollin' down, I'm blocking my ears  
Some moments remain vivid, I can't forget him  
When aiming with the gun

'Cause I saw a man down in Reno  
Geuui majimak sarangi doel saram naya

'Cause I saw a man down in Reno  
I'm the one who will be his last love  
Willingly killing him, killing him, so

Pow  
The short gunshot sound stops me from breathin'  
Like a fall to the wooden floor, I'm slidin'  
Her smile turns crooked like she's insane  
I'm not so guilty, right inside him  
I engraved my unique sign

I saw a man down in Reno  
I'm the one who will be his last love  
This feeling's not a crime  
The world says I'm a psycho  
They say this is punishment?  
I'm innocent, love's like venom  
Slowly killing me, killing me, so

Killing me, killing me, so  
Oh, it ain't, oh, it ain't  
Killing me, killing me, so

Rain down in Reno  
I will get his last love

This feeling's not a crime

'Cause I saw a man

Finally our relationship can last forever

Cry that scorching hot bleeding and smoking cigar

Oh, he is killing me, killing me, so

Oh, he is killing me, killing me, so, oh, oh

Pow
