

# Hangover Game

**MJ Lenderman**

Jordan wanted to sign  
With Adidas for shoes  
But Nike gave him an offer  
That he could not refuse  
It wasn't a pizza that poisoned him in Utah  
With a hotel bill to prove  
Three thousand dollars on just five dudes

I bought fake Jordans  
They weren't even shoes  
Oh, he looked so sick  
It was all over the news  
But it wasn't the pizza  
And it wasn't the flu  
Yeah, I love drinking too  
I love drinking too
