

# **Six Flags**

**MJ Lenderman**

Dripping wet  
From the log ride  
Insecure from the car ride  
Destroyed by your love  
On a string  
On the spinning swings  
Where no one could notice  
No one could notice  
I have never  
Felt alone  
The way I did  
At the Six Flags over Texas

I'm not counting  
I'm not counting  
No one's counting  
Your mistakes
