

# Terminex

**MJ Lenderman**

Lost in a costco  
Dad tried to make bermuda grass grow  
Arrow on the floor  
At the grocery store

Watched it from my fuckin Porsche  
Rolled in with the fuckin storm  
Biggest bird we ever saw  
Dad to daughters that were born three years apart

A mourning dove  
I hate it when I see  
Where I get my temper  
I really hate that you gave it to me

Did that bird die in the air?  
Or was it space trash from the sky?  
Terminix car drove by  
I do not want to talk to the poison guy
