

Alesis

Mk.gee

I'm in another body who's in somebody else
Both of the headless and heartless
Dancing with themselves, oh yeah
You're not a poet, you're a liar
I'm not a liar, I'm just high
Why me who's caught inside
Two people I don't even like? Uh-huh

Why me? Or better, why you?
When we can fake it like any way we want to
Why bleed when we don't have to?
Yeah, just shut your mouth, I only really want you
Are you holding on? Don't you wanna get a move on?
Escapism so easily when we don't have the money to be
Healthily getting outta here
Woah, don't you wanna get a move on?

I'm in another body
Who's in somebody else
While you're turning over the whole apartment
Looking for something else

Did you find it? Did you find it?
Leave it to me to kick the door, uh-huh
Did you find it? Oh, did you find it?
Oh, are you free tonight? 'Cause I think I found it

Why me? Or better, why you?
When we can fake it like any way we want to
Why bleed when we don't have to?
Yeah, just shut your mouth, I only really want you
Are you holding on? Don't you wanna get a move on?
Escapism so easily when we don't have the money to be
Healthily getting outta here
Woah, don't you wanna get a move on?

Baby, don't you wanna get a move on? Oh-oh
'Cause I do, yes, I
Don't you wanna get a move on? Oh
'Cause I do, I
Yes, we can find a way, we can find a way
