

Breakthespell

Mk.gee

Ooh, I wanna break
Off this spell, hoo-oooh-oooh
And I wanna break
The bone myself
So, why do I wanna take
And I want to yell? Hoo-oooh-oooh

With you
Only with you

Most of the time
I can't win, hoo-oooh-oooh
And I wanna end
What I began
So, why do I wanna taste
Her love again? Hoo-oooh-oooh

With you
Only with you

With you
Only with you
(Ooh)
