

(Alright, here we go)

Oh, we don't talk about it
It's better if we don't talk about it
You never call me out, you just shout
Maybe I should swallow my pride
With or without it

Well, I don't believe it
All the things that you said
When you said 'em, did you mean it?
I hate to waste time, hate keeping a secret
I can't erase it all now
I can't just leave it

Never want to talk about it, how come?
Never want to talk about it, with no one?
I'll be on the fence about it
Because you don't know how to be honest
And I promise

And I can't believe it
All the things that you said
When you said 'em, did you mean it?
I hate to waste time, hate keeping a secret
I can't erase it all now
I can't delete it
