Drown

Mk.gee

If you watch
Me swim
To you
So far
On land
In the sea
Riptides
From the cut [?]

I swim I drown, I got nothing to lose
But its so blue, I see you drowning too

Fill up my lungs all day
I swim by you okay
I'm not trying to save you
Don't you try to save me

I like the struggle in you
You bring it out in me

I swim I drown, I got nothing to lose
But its so blue, I see you drowning too

Drowning too
Drowning too
Yes I
