

I feel you
Know that you're feeling me, too
I think of you
Know that you're thinking of me too

And now I'm home
And I'm so alone
I'm alone, it's not known
But I'm not that strong

Ooh
I see you
Losing your mind
And I am too
I think of you
Know that you're thinking of me too

And you in your home
And I'm so alone
I know it's not known
But I'm not that strong
