

New Year

Mk.gee

Many heads in your living room
All from high school who never moved
Counting to
Always talking
And there you are
Same as last year
It's so bizarre
Ooh

You came back the same
Not everybody wants to change
See your mind is stuck in champagne
You may never cross your lane
Ooh

You came back the same
Not everybody wants to change
See your mind is stuck in champagne
You may never cross your lane
Ooh
