

Orange Clouds

Mk.gee

Orange clouds out my window
Sunlight beats through my room
I don't mind the alone time
Helps me keep you off my mind

Who am I to judge me
I'm just getting lonely
All the waves have shown me
This ain't what I used to be

Raindrops and [?] leaves
No one knows what I mean
All the people with their
Thinking minds
I don't mind
I don't mind
I don't-

Who am I to judge me
I'm just getting lonely
All the waves have shown me
This ain't what I used to be

I do not mind
I'm doing fine
I'm doing fine
I'm doing fine
