

## Rylee & I

Mk.gee

I believe I can't let go  
Just when you think you can cut everybody you know  
Rylee, it's just Rylee and I  
Woah

So when you shake it up, baby  
You give me mine  
Yes, I was there when you said you saw an angel, divine  
Just Rylee, Rylee and I

No more IV  
I feel, I feel alive  
No more ivy  
'Cause Rylee, you called it  
'Cause you called it  
Baby, you called it (Woah)

So when you shake it up, baby  
You gotta know  
Just when you think you can cut everybody you know  
Rylee, it's just Rylee and I (Huh)

So when you shake it up, baby  
You give me mine  
Yes, I was there when you said you saw an angel, divine  
It's just Rylee, Rylee and I (Huh)
