

# You Got It

Mk.gee

Baby, don't sleep on (Our love)  
'Cause baby, we got it  
Didn't I keep on?  
If you fight me  
Then baby, I'm fighting  
It's every night  
I, I  
It's you

If this time's broke  
Then all life hits the door  
If this time's broke  
Then baby, you got it

Long as you're loving me  
Long as you're loving me  
Long as you're loving me  
Ooh, ooh  
You don't want it, girl

If this time's broke  
Then all life hits the door  
If this time's broke  
Then baby, you got it

Then baby, you got it  
Then baby, you got it  
(Long as you're lovin' me)
