

Consider Me Yours

MKTO

Ay, ay, ay, ay, ay
Ay, ay, ay, ay, ay

Girl you got a way
Torturin' my brain
I keep profession
I'm waiting for a message
I never get it
I know it might be dumb
But I think you're the one
And I'm obsessive
Oh oh I'm professin'
Hallelujah, you're a blessin'

My boys say I'm insane
Cause' I didn't know ya'
I can't think straight
But one thing's for sure

You got me so wrapped in it
Don't see no competition
You can consider me yours
Right from the be' beginnin'
You took me to my limit
You can consider me yours

I'ma give it all
Whenever you call
Hit it with precision
I'm on a mission
I'm the right decision
Are you listenin'?

And you know girl
That I ain't afraid of a slow burn
I'ma take my time like it's homework (Come on)
You won't be the same, that's for sure

You got me so wrapped in it
Don't see no competition
You can consider me yours
Right from the be' beginnin'
You took me to my limit
You can consider me yours

Yeah
Ay, ay, ay, ay, ay
Ay, ay, ay, ay, ay
You can consider me yours

Ay, ay, ay, ay, ay
Ay, ay, ay, ay, ay
You can consider me yours (Yours)

Yeah, look
She bad and you know that she knows
Workin' with a lot

All she gotta do is throw it
And everything is out of focus
Backing it up
Soon enough I be proposin'
I admit it
I'm addicted
Ain't no other woman that got me so committed
And since the first time that we kicked it
Knew you were the finest thing that ever existed

You got me so wrapped in it
Don't see no competition
You can consider me yours
Consider me yours
Right from the be' beginnin'
You took me to my limit
You can consider me yours

Ay, ay, ay, ay, ay
Ay, ay, ay, ay, ay
You can consider me yours

Ay, ay, ay, ay, ay
Ay, ay, ay, ay, ay
You can consider me yours
