

# How Much

MKTO

I wanna scream the truth to see if you would hear it  
I wanna know if you care  
I wanna touch when I'm so deep, wanna believe it  
I wanna breathe the air

Bang, bang, bang against a brick wall  
I can only do this for so long  
'Cause I'm runnin' out of words  
Tryna figure out what it's worth

How much are you tryna love me? Tell me  
How much are you scared to lose me? Come on  
Lemme, lemme know now if it ain't enough  
Tell me, how much? Tell me, how much?

Are you tryna love, love, love, love, love somebody like me?  
Are you tryna love, love, love, love, love somebody like me? Yeah, yeah

I only got so many nights for overthinkin'  
It's startin' to wear on me  
Lay what's in you head, under your tongue, you've gotta speak it  
I wanna go past empty

Bang, bang, bang against a brick wall  
I can only do this for so long  
'Cause I'm runnin' out of words  
Tryna figure out what it's worth

How much are you tryna love me? Tell me  
How much are you scared to lose me? Come on  
Lemme, lemme know now if it ain't enough  
Tell me, how much? Tell me, how much?

Are you tryna love, love, love, love, love somebody like me?  
(Are you tryna love somebody)  
Are you tryna love, love, love, love, love somebody like me?  
(Are you tryna love somebody) yeah, yeah

Girl, I ain't convinced so confess your love  
I just want the best of the best, say somethin'  
It's like you possessed every chance we touchin'  
So why you second guess like a test you flunkin'  
We can be the greatest  
You keep tryna make it complicated  
Who's the winner in the game that you're playin'?  
Baby, just say it  
'Cause if you tryna tell me there's a lust  
Tell me, tell me how much

Bang, bang, bang against a brick wall  
I can only do this for so long  
'Cause I'm runnin' out of words  
Tryna figure out what it's worth

How much are you tryna love me? Tell me  
How much are you scared to lose me? Come on  
Lemme, lemme know now if it ain't enough

Tell me, how much? Tell me, how much?

Are you tryna love, love, love, love, love somebody like me?

(Are you tryna love somebody)

Are you tryna love, love, love, love, love somebody like me?

(Are you tryna love somebody) yeah, yeah

Love, love, love, love, love somebody like me?

(Oh, oh, no)

Are you tryna love, love, love, love, love somebody like me?

(Yeah, yeah) yeah, yeah (woo)
