

## Background

MNEK

Understand, understand, understand, understand this  
Ooh, and if you don't know, and if you don't know  
Understand this, understand this, right now  
Understand this, understand this, understand this

For too long I've been in the background  
For too long I've been in the background, baby  
It's time to step up to the front now  
So you can hear me out (So you can hear me out baby)

For too long I've been in the background  
For too long I've been in the background, baby  
It's time to step up to the front now  
So you can hear me out yeah (So you can hear me out)

Oh my god, I'm having the best time  
Babe, me too, the music is amazing  
Where's your drink?  
Oh, sorry, it's here  
Cheers, cheers!  
Yas!

Wait, shut up, shut up, shut up, shut up, shut up  
What?

Wait, wait

Oh my god, I love this song

Yay! Never forget you!

"You will always be by my side"

Hey, oh, it's Zara Larsson and M-Neck

Wait, who?

You know, M-Neck, M-M-M-Neck

MENK? M-Neck? M-Neck. I don't?

Hey babe, it's MNEK

What?

M-Neck sounds like an STD

Oh no wait, is that how you say it?

Babe, I love his music

Well then, girl, fucking say his name right

But that's how I thought you said it!
