

## Ain't Lookin' Back

Mo Pitney

I've got my eyes on the long road ahead  
My horizon, the great what's next  
You're bringing up old tracks I've laid down  
And want to talk about a long time ago now

I ain't looking, I ain't looking back  
Why would I when I ain't going that way  
I ain't looking, I ain't looking back  
Why would I when I ain't going that way

I've got my been there's, I've got my done that's  
It ain't nothing new, to me it's old hat  
No, I ain't running from all my used to be's  
I just don't really feel the need to take 'em with me

I ain't looking, I ain't looking back  
Why would I when I ain't going that way  
I ain't looking, I ain't looking back  
Why would I when I ain't going that way

Ain't going that way, ain't rolling that way  
Ain't living, ain't loving, ain't going that way

I spend enough time watching the sunset  
All the way down into the darkness  
Now I just wanna drive every day  
Right into the sunrise

I ain't looking, I ain't looking back  
Why would I when I ain't going that way  
I ain't looking, I ain't looking back  
Why would I when I ain't going that way

Ain't going that way, ain't rolling that way  
Ain't living, ain't loving, ain't going that way  
I ain't going that way  
Hey devil, I ain't going that way  
I ain't going that way
