So wait on me, patiently, and see what I got in store  
I'm gonna represent, to the fullest of it and I promise you no regret

Just put you trust in me, and baby, I promise this shit is legit (Leg

If I told you once, then I told you twice, you've got to get to know

There's more to a relationship, then jumpin in the sheets  
And if that's all you want, then you better go, 'cause that ain't me  
I don't give me love to just anybody  
If I'm not correct, then prove me wrong and, just hold on  
Gradually you'll see, just how good it'll be  
When the time is right, I'll ease your mind with a little bump and gr  
ind  
Fantasies full of ecstasy, we'll have a real good time

[Chorus]
